My dear friends, when you hear the news about me, you might be shocked, might be in denial. But this is life, real life.

Please do not feel sorrow for me. I do not wish to bring you pain. All I want is for you to remember fondly all the wonderful and joyful times we had together. I'm content and happy to have your company in my life.

Cherish your health, be optimistic, and enjoy life. I wish you all a happy life.
