

Gail G. Harrison  
Curriculum vitae

**PERSONAL:**

Business Address & Phone:

UCLA School of Public Health  
650 Charles Young Drive, South  
Los Angeles, CA 90095-1772  
Phone: 310-825-3738; Fax: 310-794-1805  
E-mail: gailh@ucla.edu

Home Address & Phone:

1532 Wilder Street  
Thousand Oaks, CA 91362  
(805) 496-5886  
Cell: (805) 341-3826

Date of Birth: June 8, 1943

Place of Birth: Denver, Colorado

Citizenship: USA

Marital Status: Married (Osman M. Galal, MD, PhD)

**EDUCATION:**

BS (1965, University of California, Santa Barbara. Food and Nutrition)

MNS (1967, Cornell University, Ithaca, NY; Nutritional Sciences)

PhD (1976, University of Arizona, Tucson, AZ; Biological Anthropology)

Intensive language study, Arabic (1983, American University in Cairo, Egypt)

Public Health Leadership Institute (1993-94, Centers for Disease Control & Western Consortium for Public Health)

**PROFESSIONAL EXPERIENCE:**

Present positions:

Professor (1992-present) Department of Community Health Sciences, UCLA School of Public Health

Director (2008-2011), Center for Global and Immigrant Health, UCLA School of Public Health

Senior Scientist, UCLA Center for Health Policy Research (2002-present)

Member, California Center for Population Research (2004-present)

Adjunct Professor, Jackson State University, Jackson, MI (201-present)

Previous Positions:

Assistant Director, Program for Healthy and At-Risk Populations, Division of Cancer Prevention & Control, UCLA/Jonsson Comprehensive Cancer Center (1996-2010)

Associate Dean for Academic Affairs, UCLA School of Public Health (2006-2007)

Chair (1994-2003), Vice Chair (2003-2004), Department of Community Health Sciences, UCLA School of Public Health

Associate Director, UCLA Center for Human Nutrition (1996-2003)

Professor (1986-91); Associate Professor (1981-86); Assistant Professor (1977-81); Lecturer (1976-77),

Department of Family & Community Medicine, University of Arizona College of Medicine, Tucson, AZ.

Chief, Nutrition Section (1986-91). Joint appointments in the Department of Pediatrics (1977-91);

Department of Anthropology (1985-91); Department of Nutritional Sciences (1981-91)

Dean of the Graduate College and Assistant Vice President for Research, University of Arizona, Tucson, AZ (1989-91)

Director, Program in International Health, College of Medicine, University of Arizona (1990-91)

Chair, Graduate Program in Nutritional Sciences, University of Arizona (1984-87)

Visiting Assistant Professor, Department of Food & Nutrition, Oregon State University, Corvallis, OR (1978)

Visiting Assistant Professor, Division of Nutritional Sciences, Cornell University, Ithaca, NY (1976-77)

Instructor, Division of Medical Dietetics, The Ohio State University, Columbus, OH (1970-72)

Extension Associate, Division of Nutritional Sciences, Cornell University, Ithaca, NY (1967-70)

**FIELD WORK:** Egypt, Sudan, Lesotho, Indonesia, Iran, Lebanon, US Native American  
Limited/supervisory: Guatemala, Palestine, Mauritania, Saudi Arabia

**LANGUAGES:** English, Arabic (basic, spoken), Spanish (basic spoken, intermediate reading)

**TEACHING (current and recent, graduate or medical school level)**

Global Health Problems  
 Nutritional Assessment of Populations  
 Hunger and Food Insecurity as Public Health Issues  
 Nutrition and Chronic Disease  
 Maternal and Child Nutrition  
 Management of Nutrition in Complex Humanitarian Emergencies  
 Program Planning, Research Methods, and Evaluation in Public Health  
 Programs and Policies in Public Health Nutrition  
 Personal Nutrition for Medical Students (first-year selective)  
 Introduction to Community Health Sciences

Guest lectures in various public health, medical school, and residency courses, about 10-12/year.

**HONORS AND SPECIAL AWARDS**

1976 Sigma Xi  
 1972 Phi Kappa Phi  
 1978 American Men & Women of Science  
 1978 Future Leaders Award, The Nutrition Foundation  
 1984 Outstanding Woman Faculty Award, University of Arizona Mortar Board (senior women's honorary)  
 1995 Delta Omega (Public Health honorary)  
 2003 Elected to membership in the Institute of Medicine, The National Academies  
 2004 Helene Brown Award for Excellence in Cancer Prevention and Control Research, UCLA/Jonsson Comprehensive Cancer Center  
 2007 Hunger Fighter Award from the California Hunger Action Committee  
 2009 Elected a Fellow of the American Society for Nutrition  
 2009 Agnes Higgins Award for Contributions to Maternal and Fetal Nutrition, March of Dimes Foundation and American Public Health Association, Maternal and Child Health Section and Food and Nutrition Section  
 2011 "Friend of WIC" Award, National WIC Association

**PROFESSIONAL ACTIVITIES**

Committee Service:

UCLA and University of California

1992-2002 Awards Committee, von Grunebaum Center for Near Eastern Studies  
 1998- 2002 Faculty Advisory Committee, von Grunebaum Center for Near Eastern Studies  
 1998-2000 Faculty Advisory Committee, Center for Pacific Rim Studies  
 1993-1997 Ad Hoc review committees for promotion and tenure evaluation, University level (3)  
 1997-1998 Chair, Academic Program Review for Special Statewide Programs, for the statewide California EFNEP (Expanded Food and Nutrition Education Program), UC Office of the President  
 1999- 2000 Search Committee, Vice Provost for International Studies and Overseas Programs  
 2002-2004 Chair, Advisory Committee, International Institute  
 2005-2006 Member, Search Committee for Director of the von Grunebaum Center for Near Eastern Studies  
 2004-2007 Senior Fellow, Global Fellows Program, UCLA International Institute  
 2006 Member, Committee for Regular Review of the Dean, of the School of Public Health  
 2006 Peer review of grant applications, Program for Research in Migration and Health, UC Office of the President  
 2007-2009 Member, All-Campus Planning Committee for a System-Wide Institute for Global Health, UC Office of the President

2008-2009	Member, UCLA Task Force on Foreign Language Training
2009-2010:	Chair, Review Committee for the Graduate Program in International and Community Nutrition, UC Davis
2010	Member, Iran Steering Committee, UCLA

School of Public Health

1993	Chair, Infrastructure Committee for Strategic Planning Initiative, School of Public Health
1993-1994	Academic Computing Committee, School of Public Health
1993-1994	Chair, Doctoral Committee, Dept of Community Health Sciences
1992-1994	Four ad hoc committees for promotion and/or tenure evaluation
1994, 2000	Chair, ad hoc Committees on Space
2002-2004	Chair, Search Committee for Environmental Health Sciences Chair
2004-2005	Chair, International Health Committee
2004-2005	Chair, Search Committee for Chair, Environmental Health Sciences
2005-2009	Chair, four ad hoc committees for major personnel actions, Department of Community Health Sciences
2007-2008	Chair, Search Committee for Global Health Position
2008-2010	Director, Center for Global and Immigrant Health

School of Medicine

1994-2000	Member, Nutrition Education Curriculum Committee
1992-2003	Executive Committee Member, and
1997-2003	Director, Dietary Intervention and Assessment and Body Composition Core Facility, Clinical Nutrition Research Unit, Department of Medicine
2000-2001	Member, Human Biology and Disease Committee on curriculum revision
2003-2010	Member, Residency Advisory Committee, Combined Family Medicine/Preventive Medicine Residency
2006-2009	Member, Task Force for Nutrition Education
2006	Peer review of grant applications, Iris Cantor Program in Women's Health

School of Nursing

1994-1997	Member of Advisory Committee for Graduate Training Program for Research on Underserved Populations
-----------	--

Jonsson Comprehensive Cancer Center

2000-now	Member, Advisory Committee, Postdoctoral Research Fellowship Program
----------	--

National Academies of Sciences

1976-1977	Member of Study Team #9 for the World Food and Nutrition Study.
1978-1981	Member of the Food and Nutrition Board, National Research Council.
1978-1981	Member of Committee on Food Consumption Patterns, Food and Nutrition Board, National Research Council.
1981-1982	Member of Advisory Committee on Health, Biomedical Research and Development, Bureau on Science and Technology for International Development/Institute of Medicine.
1980-1982	Chair, Panel on Factors Affecting Food Selection, Committee on Food Consumption Patterns, Food and Nutrition Board, National Research Council.
1987-1988	Member of Special Panel to Review USAID's research program for Historically Black Colleges and Universities.
1987-1990	Member, Committee on International Nutrition, Food and Nutrition Board, Institute of Medicine.
1989-1990	Member of Special Panel to Review USAID's linkage program between Historically Black Medical Colleges and Schools of Public Health.
1990-1991	Member of Special Panel to Recommend U.S. Science and Technology Assistance to Post-Gulf

	War Middle East, BOSTID.
1991-1996	Member of U.S. National Committee to the International Union of Nutritional Sciences.
1992-1994	Chair, U.S. National Committee/International Union of Nutritional Sciences.
1993-1995	Member, Special Committee to Review the Nutritional Risk Criteria for the WIC Program, Food and Nutrition Board, Institute of Medicine.
1994	Member, Committee on Micronutrient Replenishment Strategies for the MidEast Region, Food & Nutrition Board, Institute of Medicine.
2002	Coordinator, Review Process for Institute of Medicine, Report on Dietary Risk Assessment in the WIC Program.
2001-2003	Member, Committee on Implications of Dioxin in the Food Supply, Food and Nutrition Board, Institute of Medicine.
2004-2005	Member, Committee to Review the Food Package for the WIC Program, Food and Nutrition Board, Institute of Medicine.
2008-2010	Member, Committee to Recommend Changes to Nutrition and Meal Standards for the National School Lunch Program and School Breakfast Program, Food and Nutrition Board, Institute of Medicine
2010	Chair, Planning Committee and Workshop on Developing a Research Agenda for the WIC Program. Institute of Medicine, Food and Nutrition Board.
2011	Member, Planning Committee for Workshop on Revising the USDA/WIC national breastfeeding campaign.
2012	Member, planning committee for NAS Kohkland Science Museum Nutrition Exhibit.

#### National Institutes of Health

1978	Member of Special Study Section, Diet, Nutrition and Cancer Program, National Cancer Institute.
1980	Member of Special Study Section, Nutrition and Behavior Program, National Institute of Child Health and Human Development.
1980-1981	Member of Steering Group on Classification of Human Obesities.
1983	Member of Special Study Section/Site Visit Team, National Institute of Child Health and Human Development.
1985-1986	Member of Special Study Sections for Small Business Innovative Research (SBIR) Program.
1986	Chair, Special Study Section, SBIR Program.
1987-1993	Member, five Special Study Sections, NICHD
1992	Member, Special Study Section, National Institute of Dental Research
1992-2001	Member, 4 special study sections, NHLBI
1993	Member of Consensus Panel, Consensus Conference on Technology Assessment for Bioelectrical Impedance Analysis for the Study of Human Body Composition
2000, 2002, 2003	Ad hoc reviews for National Institute of Child Health and Human Development; National Heart, Lung and Blood Institute
2004 – 2008	Special emphasis review sections for National Cancer Institute
2006-2012	Member Standing Review Group Subcommittee G (Cancer Education), National Cancer Institute
2009	Chair, Special Review Section for Centers for Health Disparities Research (Multi-NIH Institute)

#### National Science Foundation

1994	Invited Participant, Workshop on Public Infrastructure, Social, Behavioral and Economic Sciences Division
2003	Invited participant, Workshop on Research in Anthropology, Cairo, Egypt

#### US Department of Agriculture

1995- 1996	Member, Liaison Committee, Western Human Nutrition Research Center, San Francisco, CA
1996	Member, External Evaluation Committee for the USDA Western Nutrition Human Nutrition Research Center
2000	Member, Evaluation Committee for Beltsville Human Nutrition Research Center

2006	Member, Evaluation Committee for Agricultural Research Service Human Nutrition Program
2009	Member, Search Committee for Senior Scientist, Lower Mississippi Delta Nutrition Research Initiative, USDA/ARS
2008,9,10	Peer Reviewer, Competitive Food and Nutrition Research Program, Economic Research Service
2010	Reviewer and invited conference participant, Draft Strategy for Feed the Future Research Program (USDA, US State Dept and USAID)

#### Community Service

1976-1991	Advisory Committee, Bureau of Nutrition Services, Arizona Department of Health Services.
1981-1983	Member, Board of Directors, Hunger Action Center, Tucson, AZ.
1984-1985	Member, Board of Directors, Arizona Diabetes Association, Tucson Chapter.
1993-1998	Member, Advisory Committee, West Los Angeles Veterans Administration Hospital Dietetic Internship Program
1995-1999	Member, Board of Directors, Western Consortium for Public Health, Berkeley, CA
1996-2005	Member, and
2000-2005	Co-Chair, Standing Scientific Advisory Committee, Thrasher Research Fund, Salt Lake City, Utah
1997-2003	Member, Advisory Board, Dietetic Internship, USC/Children's Hospital of Los Angeles
1997-2001	Member of UCLA faculty committee to advise the Los Angeles County Department of Health Services
1998-now	Member, Breastfeeding Taskforce of Greater Los Angeles
2007-now	Member, Board of Directors, California Food Policy Advocates, San Francisco, CA
2010	Peer reviewer, draft proposal from California for pilot program to add targeted benefit for fruits and vegetables to the SNAP (formerly Food Stamps) program.

#### Professional Associations:

1974-1978	Community Nutrition Committee American Dietetic Association.
1978-1979	Committee on Graduate Education American Institute of Nutrition.
1979-1982	Executive Board, Human Biology Council.
1981	Chair of Nutrition Session for Western Society for Pediatric Research meetings
1982-1983	Planning Committee, IV International Congress on Obesity
1985-1986	Planning Committee, Satellite Meeting on Pediatric and Adolescent Obesity, V International Congress on Obesity.
1990-1992	Member of Governing Council for Society for International Nutrition Research, American Institute of Nutrition.
1992-1994	Member, EV McCollum International Lectureship Committee, American Institute of Nutrition
1992-1994	President-elect,
1994-1996	President, Society for International Nutrition Research
1998	Member, Committee to Select Osborne-Mendel Awardee, American Society for Nutritional Sciences
2000	Member Program Committee, North American Association for the Study of Obesity
2010	Member, Program Committee, American Institute for Cancer Research

#### Scholarly and Professional Societies:

American Anthropological Association  
 American Dietetic Association  
 American Society for Nutritional Sciences  
 American Public Health Association  
 American Society for Clinical Nutrition  
 Human Biology Council  
 Society for Pediatric Research (elected)  
 Society for International Nutrition Research  
 Middle East Studies Association

The Obesity Society  
Institute of Medicine, The National Academies (elected)

### **EDITORIAL and OTHER PEER REVIEW SERVICES:**

#### Editorial Board Memberships

1973-1978	<i>Journal of Nutrition Education</i>
1977-1986,	
1992-2006	<i>Ecology of Food and Nutrition</i>
1980-1985	Co-editor for Nutrition Section, <i>Arizona Medicine</i>
1981-1985	<i>Human Biology</i>
1981-1987	<i>Nutrition and Behavior</i>
1982-1985	Editor for Western Region, "Nutrition Notes", American Institute of Nutrition Newsletter
1986-1989	<i>International Journal of Obesity</i>
1991-1996	<i>American Journal of Clinical Nutrition</i>

#### Manuscript Reviews (selected)

*Journal of Nutrition, Archives of Pediatrics and Adolescent Medicine, Human Organization, Medical Anthropology, American Journal of Physical Anthropology, Metabolism, Science, Pediatrics, Journal of Pediatrics, Journal of the American Dietetic Association, American Journal of Public Health, American Journal of Obstetrics and Gynecology, Life Sciences, Family Medicine, Journal of Nutrition Education and Behavior, Human Biology, International J Obesity, Obesity Research, The Consultant, European Journal of Clinical Nutrition, Asia-Pacific Journal of Clinical Nutrition, Public Health Reports, Food & Nutrition Bulletin, Public Health Nutrition, Journal of Health Care for the Poor and Underserved.*

#### Manuscript (book) reviews for:

Duxbury Press, Cornell University Press, University of Minnesota Press, University of Michigan Press, SUNY Press, American Institute for Cancer Research/World Cancer Research Federation

#### Ad Hoc grant reviewer for (selected):

National Science Foundation, U.S. Department of Agriculture, Wenner-Grenn Foundation, National Institutes of Health, New York Academy of Sciences, National Academy of Sciences, Field Research Foundation, Thrasher Research Fund, Wellcome Trust, University of California US/Mexico Program on Migration and Health, UCLA/Iris Cantor Center for Women's Health; UCLA/Jonsson Comprehensive Cancer Foundation.

### **CONSULTING ACTIVITIES**

#### US Department of Agriculture

1994	Joint committee USDA/ARS and DHHS/NCHS to design the dietary components of future national food and nutrition monitoring surveys
1994-now	Lower Mississippi Delta Nutrition Research Initiative, Agricultural Research Service.
1996-1997	Food Surveys Research Group, on the design & implementation of the 1999-2001 Continuing Survey of Food Intake of Individuals
1998	Food Surveys Research Group, on design of national food consumption surveys for other countries
1998	Food and Nutrition Service, WIC Program, Expert testimony on caffeine as a risk factor for pregnant and breastfeeding women and for children.
2000	Food Surveys Research Group, on dietary methodology in joining USDA and DHHS nutrition surveys
2008, 2009	Agricultural Research Service/Lower Mississippi Delta Nutrition Research Initiative
2010	Reviewer and invited conference participant, Feed the Future initiative of USDA, USAID, and US Department of State

International Agencies and Institutions

1983	WHO/Eastern Mediterranean Regional Office. Consultant on integrating nutrition into the primary health care system, Egypt.
1990	UNICEF/Sudan. Consultant on Child Feeding Practices in Sudan.
1989-1990	USAID/Sudan, Consultant in child nutrition in Sudan.
1990	WHO/Geneva. Consultant to Behavioral Research Program for Acute Respiratory Illness.
1997-1999	Consultant to UNICEF, Iran on Food and Nutrition Security in the Islamic Republic of Iran
2005	Consultant and site visitor for Ellison Medical Foundation

Community Agencies

1993-1997	Public Health Foundation Enterprises WIC Program, Los Angeles, California
-----------	---

Industry

1986-1999	Best Foods, Inc.
1993-1998	Procter & Gamble
2000, 2004	American Egg Board
2006-2010	Scientific Advisory Board, The Dannon Institute of North America

Universities

1995	Member of External Committee to Evaluate Candidates for Professorship/Chair in Community Nutrition, Faculty of Medicine, University of Oslo, Norway
1995	External examiner for the PhD, University of Guelph, Ontario, Canada
1997	External examiner for the MD, Cairo University, Cairo, Egypt
2000	External examiner for the PhD, YonSei University. Seoul, South Korea
2000	External examiner for the PhD, Alexandria University, Alexandria, Egypt
2001	External examiner for the MD, Cairo University, Cairo, Egypt
2002	External examiner for the PhD, Tabriz University, Tabriz, Iran
2002	External examiner for the PhD, Tulane University, New Orleans, LA, USA
2005	Member of external review committee for PhD Program in Nutrition and Health Sciences, Emory University, Atlanta, GA, USA
2000-now	External reader for PhD and MD theses, 1-2/year, Cairo University
2005-2011	Consultant to Center for Indigenous People's Nutrition and Environment, McGill University, Montreal, Quebec, Canada
2006-now	Member, External Advisory Committee, Cancer Epidemiology Training Program, University of Michigan
2006-2011	Member, External Advisory Committee, Center to Eliminate Health Disparities in Latinos, University of Connecticut
2009-2011	University of North Carolina, consultant/collaborator on study of health status of the native Emirati population, United Arab Emirates

Expert Testimony

1996	Pediatric anemia. California State Senate, Committee on Health & Human Services, Sacramento
1999	Composition and nutritional value of California milk. California State Senate, Committee on Health & Human Services and Committee on Agriculture and Water Resources, Los Angeles
2000	Nutritional value of California milk. California State Senate, Committee on Health & Human Resources and Committee on Agriculture and Water Resources, Sacramento

**RESEARCH GRANTS AND FELLOWSHIPS RECEIVED**

Previous, as Principal Investigator or Co-Principal Investigator:

Nutrition Foundation (1987-81); Ross Laboratories (1981-84; 1985-88); US Department of Agriculture, Human Nutrition Information Service (1987-89, 1989-90); US Department of Agriculture, Food and Consumer Services (1989-91); US Agency for International Development (1983-87; 1990-92); PRICOR (USAID through University Research Corporation), 1987-89; National Academy of Sciences/Board on Science and Technology for International Development, 1985-87; American Institute for Cancer Research (1987-90); Arizona Disease Control Research Commission (1990-91); Thrasher Research Fund (1989-91); US Department of Agriculture/Foreign Agricultural Service and Ministry of Agriculture for Egypt (1992-95); California Avocado Commission (1997); Maternal and Child Health Bureau, HRSA/DHHS (1993-98); US Department of Agriculture, Agricultural Research Service (1994-99); UC Pacific Rim Research Program (1996-99); Dole Food Company. (1997-2000), California Department of Health Services (1999-2001; 2000-2001; 2000-2003); UCLA Academic Senate (2000-2001); American Institute for Iranian Studies (2000); Cancer Research Program, California Department of Health Services (2000-2002); Maternal and Child Health Branch, California Department of Health Services (1999-2001); USDA/ERS (1999-2002); Institute for Research on Poverty, University of Michigan (2001-2002); California Food Policy Advocates (2005, 2007); Centers for Disease Control (2005-2006); National Cancer Institute (2004-2006); Thrasher Research Fund (2001-2008); Bixby Program in Population Health (2002-2009); NIH/Fogarty International Center (2005-2009); Kuwait Institute for Scientific Research (2009); US Department of Agriculture CSREES/AFRI (2005-2009); UCLA International Institute. Climate Change and Food Security: Policy Case Studies. 1/1/09-12/31/10. \$10,000; California Food Policy Advocates. Analysis of Food Insecurity Data for California, 2001-2009, 1/1/10-12/31/11, \$20,000' The California Endowment. Developing the Immigrant Component of the UCLA Center for Global and Immigrant Health. 6/1/09-6/30/10. \$74,000; National Institutes of Health/NHLBI (PI: Koniak-Griffin, Co-PI: Harrison). Community-based Lifestyle Promotion with Latina Women. 8/17/09-7/31/11, \$487,283 last year direct costs).

#### Currently Active Extramural Funding

##### *As Principal Investigator*

California Food Policy Advocates

Analysis of Food Insecurity Data from the California Health Interview Survey.

6/1/10-9/30/12. \$22,500, time not specified.

US Department of Agriculture/Food and Nutrition Service; subcontract from Westat (Rockville, MD)

National WIC Infants and Toddlers Feeding Study – 2

9/30/11– 9/29/16. ~\$900,000 (subcontract only, of approximately \$10 million overall study); 30% time

US Department of Agriculture/Food and Nutrition Service

Development of a University-Based Small Grants Program for Research in Preconceptional Nutrition and the Role of the WIC Program.

9/30/11-9/29/16; \$998,000; ~8% time

#### **INVITED LECTURES AND PRESENTATIONS (selected, recent)**

- 1994 *Essential Functions of Public Health*. Conference on Health Policies in Transition after the Peace, Palestinian Red Crescent Society, Cairo, Egypt
- 1995 *Nutrition Intervention Research: What Have We Learned?* Visioning conference, Lower Mississippi Delta Intervention Research Initiative, Washington DC.
- 1995 *New Developments in Food Consumption Survey Methods*. Food Technology Research Institute, Ministry of Agriculture, Cairo, Egypt
- 1996 *California Diet and the Health of Californians*. UCLA Center for Human Nutrition, Los Angeles
- 1996 *Global Aspects of Obesity*. UCLA School of Medicine CME conference, National Press Club, Washington DC
- 1998 *Soybean consumption among Asian Immigrants to Los Angeles*. UCLA Center For Human Nutrition, Los Angeles
- 1998 *The Nutrition Transition: Implications For Food Security*. National Nutrition Institute, Tehran, Iran; also at Shiraz University, Shiraz, Iran
- 1999 *Changing Patterns of Soybean Consumption*. Asian Nutrition Congress, Seoul, South Korea, August 31, 1999

- 1999 *Public Health Implications of Changing Dietary Patterns on the Pacific Rim*. Symposium on Public Health in the Pacific Rim, University of California, Los Angeles, November 19, 1999.
- 2000 *Assessment of Dietary Exposure to Isoflavones*. Research Conference, UCLA/Jonsson Comprehensive Cancer Center, January 6, 2000
- 2000 *Monitoring Micronutrient Deficiency Conditions*. Israel-Palestinian Conference on Micronutrient Deficiency Conditions and their Prevention, Jerusalem, January 26-27, 2000.
- 2000 *Anthropological Fieldwork in Iran: Challenges and Strategies*. Society for Iranian Studies, Bethesda, MD, May 26, 2000.
- 2000 *Assessment of Vitamin A Status and Dark Adaptation*. School of Public Health, Tehran University of Medical Science, Tehran, Iran, June 30, 2000
- 2000 *The Global Epidemic of Obesity*, School of Public Health, Tehran University of Medical Science, Tehran, Iran, July 4, 2000
- 2000 *Night Blindness Revisited*, UCLA Center for Human Nutrition, August 4, 2000
- 2000 *Assessing the Intake of Breastfed Infants*. International Dietary Assessment Conference, Tucson, AZ, Sept 20, 2000.
- 2000 *Global Convergence of Public Health Targets: Implications for Practice*. Department of Public Health, Venice, Italy, September 22, 2000.
- 2000 *Developing a Nutritionally Literate Population: The Challenge and the Potential Impact*. National Food Technology and Nutrition Research Institute, Tehran, Iran, October 2000; also at the School of Public Health, Tabriz University, Tabriz, Iran, November 18, 2000.
- 2001 *The Paradox of Hunger and Obesity*. Association of State and Territorial Public Health Nutrition Directors, San Francisco, CA, June 10, 2001.
- 2001 *Riboflavin Deficiency: Does it Matter?* First Central American Workshop on Micronutrient Deficiencies, Guatemala City, Guatemala, June 12, 2001.
- 2002 *Preconceptional Care: What Difference Will It Make?* American University of Beirut, Beirut, Lebanon, January 16, 2002
- 2002 *The Nutrition Transition in the Developing World: Implications for Public Health*. American University of Beirut, January 15, 2002.
- 2002 *The Emerging Epidemic of Obesity: What are the Costs?* International Meeting on School Health, Abu Dhabi, United Arab Emirates, January 29, 2002
- 2002 *How is Globalization Changing the Public Health Landscape?* Conference on the Impact of Globalization on Health and Health Care in the Islamic World. Kuwait: Islamic Organization of Medical Sciences, March 24, 2002
- 2003 *Methodological Considerations in Monitoring Food Consumption across the Developing World*. Dietary Assessment Conference, Ching Rai, Thailand, January 2003.
- 2003 *Food Security in Diverse Populations and Uncertain Times*. University of California, Davis, March 7, 2003.
- 2003 *Assuring Quality in Food Composition Databases: Public Health Implications*. International Food Database Conference, Washington DC, June 30, 2003.
- 2004 *The Paradox of Hunger and Obesity*. 8<sup>th</sup> Iranian Nutrition Congress, Tehran, September 2004
- 2004 *Revising the WIC Food Packages*. National WIC Association Breastfeeding Promotion Conference, Phoenix, AZ, September 2004.
- 2005 *Programs to Improve Maternal and Child Nutrition Nutrition: Global Experience*. Ben Gurion University/ElQuds University/Tufts University Conference on Child Nutrition in Israel and Palestine, Beer Sheva, Israel, March 2005.
- 2005 *Revising the WIC Food Packages*. National WIC Association, St. Louis, MO, April 2005.
- 2005 *Revising the WIC Food Packages*. American Dietetic Association, St. Louis, MO, October 2005.
- 2006 *Diet and Physical Activity*. Symposium on Eliminating Health Disparities in Mississippi, Jackson State University and DHHS Office of Civil Rights, Jackson, Mississippi, October 2006.
- 2007 *The Health of Indigenous Peoples Globally*. Workshop on Indigenous Food Systems, Rockefeller Foundation/Bellagio Center and McGill University, Bellagio, Italy, February 2007.
- 2008 *The Institute of Medicine Report*. National WIC Association Summit, Washington DC, March 2008.
- 2008 *Cultural Influences on Childhood Obesity*. American Diabetes Association Summit on Childhood Obesity, Los Angeles, CA April 2008.
- 2009 *Improving Fruit and Vegetable Intake: Research into Policy*. United Arab Emirates University, Al-Ain, UAE, May 2009.
