Dear Ms Maya Heng & Mr Willian Heng ,

### **SINCEREST CONDOLENCES FROM INTERNATIONAL SEPAKTAKRAW FEDERATION (ISTAF)**

On behalf of the International Sepaktakraw Federation (ISTAF) and its President, Senator (Dr) General Charouck Arirachakaran and Honorary Life President of Asian Sepaktakraw Federation (ASTAF) including the entire Sepaktakraw Family in Asia and the world, I would like to extend our sympathies to you and your mother Mrs Heng and family for your loss, the passing of the late Mr George Heng.

Your late father is my dearest associate in the family of Sepaktakraw for 30 years having known each other very well including your mother together with your brother William Heng.

My family including my wife Faridah and sons Fariq, Farid and Taufiq are also very close with your late Father. All of us respected him with the highest integrity for his seriousness, firm principle and dedication in Sepaktakraw and its development.

Your late father Mr George Heng played a vital role together with Mr Boonchai Lorhipipat, who was then Secretary General of ASTAF and myself along with Col. Ruj Saeng Udum from Thailand in 1992 during the formation of the International Sepaktakraw Federation (ISTAF) in Bangkok, Thailand.

Your late father's undying service had rendered his legacy, his contribution, for the promotion of the games of Sepaktakraw from the kampong (villages) games to the international arena.

Asia's Sepaktakraw and the world will never forget the late Mr George Heng. We pray to God that he may rest in peace and let perpetual light shine upon him.

To you and your family and your loving mother, please take care what God has given us. Stay strong and be safe in looking after your loving mother.

Lastly, once again together with General Charouck Arrichakaran, Prof Chalerm Chaiwatcharaporn, Muhammad Fariq AHK, Muhammad Taufiq AHK, Yonder Singh Dahiya of India, Sohrab Azad Khan Kandi of Iran, Ms Karen Claire Tanchanco-Caballero of the Philippines, Prof Shunichi Takeshita of Japan, Masaru Misawa, Prof Jolly Laboy, and Dr Syafrizal Bahktiar seeks you to accept our deep condolences.

Yours Sincerely,

**DATO ABDUL HALIM BIN KADER, BBM**
