Dear Li's family,

On behalf of the Faculty of Medicine, Prince of Songkla University, I would like to express our sincere condolences on your family's loss.

We were very saddened to learn of the passing of Prof. Jian-Ming Li, MD. He was such a terrific friend of our university. He was more than just a wonderful person, he was always so kind and considerate. We greatly appreciate the honor and many contributions he brought to our institution by sharing his time and expertise with our colleagues and students. It would be difficult to measure the impact he has had on the many people's lives he touched, personally and professionally.

We know that this is a difficult time for your family. Words are inadequate at a time like this; however, please know that your family is in our thoughts. The fond memories will be with us forever.

Again, we extend our deepest sympathies to your family during this period of mourning.

Sincere condolences,

Assoc. Prof. Puttisak Puttawibul, MD
Dean
Faculty of Medicine
