

*in loving  
memory*

OF THOSE WHO CANNOT  
BE HERE TODAY,  
BUT ARE FOREVER IN OUR HEARTS

With wishes  
for all kinds of healing,  
as you and your family  
say good-bye  
to someone  
who meant so much.

There are moments  
that the world don't reach.

Hamilton by Tim Hanson & Associates

With John's tragic and untimely loss, I have  
not only lost a friend and a colleague but  
we have all lost a genuinely good and kind  
man, a real leader, and someone with  
deep insights but who was always open to  
explore many sides to an issue.

Hope you can feel  
the love that's surrounding you now  
in all the ways you need.

#### In sympathy

He was someone with a wonderfully dark  
sense of humor, real bonds to his friends  
and family, and with whom I had  
always placed great trust in both his  
skills and in his personal wisdom.  
The world is a poorer place for his  
loss, but I, and many others, are richer  
for having known him, even if  
too briefly.

## In Memory of John

I am here representing CIRM (Customer Information Risk Management), a team under John's leadership, to express our deepest condolence for the loss of John, our great leader and caring friend. We are also sharing in the sadness of John's family as they remember John.

John had led CIRM for over 15 years, overseeing credit risk for Business Banking portfolio. He was a great leader, always providing strategic guidance and effective support to us whenever needed. He engaged us with Business Banking leaders so that our deliverables could be leveraged to add tremendous values to the bank.

John was also an intellectual leader. During the process of model development, John often raised critical challenges regarding model designs, model selections and model assumptions etc. in order to ensure the robustness of credit risk and loss forecasting models.

Besides a great leader, John was also a caring friend. He knew everyone of us very well. When anyone of us was in a vulnerable situation (such as having a surgery, suffering from the loss of the loved one), he was always there supporting and delivering warm care via flowers and cards with encouraging messages. When celebrating team members' anniversaries, John always inspired us to come up with good ideas for activities promoting team building.

In the past 3 years, we were truly impressed with John's perseverance in fighting against cancer. Every time after he went through a cycle of tough treatments, he showed us his optimistic view of future which gave us so much hope for his returning. It was just in the week when we were excited by the great news that John would be back to work, we were saddened to hear the loss of our beloved leader, John, forever.

### John, you are forever missed!

Finally, we want to thank you, Lisa (John's wife), Iris and Tori (John's daughters), for having accompanied John throughout his whole journey. You have surrounded him with love and strength. With deepest sympathy to Lisa, Iris and Tori, I want to say "We Love You!"
