

Celebrating Joosep's Life

To commemorate a kind soul and wonderful person there will be a beach day/ bonfire at Monterey State Beach. This event will be held at 3:30 on Tuesday the 25th of May.

There will also be music played in honor of his life and a paddle out to send a waterman back to his place of peace. There will be a BBQ as well and food.

Reminder because of COVID concerns this is not an open invite, and would like to keep this private just like him. The best way to send him out is with a little party, so bring a smile and enjoy spending time on the beach remembering someone who will be missed.

For any more details please call or text me (760)-715-8022
