I was terribly upset to hear that Joe is no longer with us and cannot imagine the depth of your loss. I had the great privilege of getting to know Joe during his time working in the TPS call center. Joe was one of the most kind-hearted, intelligent, engaging and, let's face it, downright hilarious human beings that I have had the pleasure of crossing paths with. Joe left a positive dent in my world, and he will be hugely missed on this earth. My heart goes out to you all and I hope your memories of Joe bring you some comfort during this difficult time.

With respect and sincerity, Michele Frey

My deepest sympathies to you. Joe and I worked together in both Registration Control and the Call Center for taxation - he was such a bright light and I am honored to have not only worked with him but to have considered him a friend. We always loved to talk about Mile Hi Church and our own spirituality; and with that I know that he has moved on to a greater plane of existence and can feel all of the love and warmth that he rightfully deserved. Peace be with you all during this time.

Sincerely, Bonny Hulberg

My heart felt sympathies and condolences to you and your family. Joe was a delightful and genuine human being whose positivity and smile will be greatly missed.

I hold Joe in the deepest respect. It was a pleasure working with him on the Marketing Team at History Colorado. He was a great communicator & I loved to collaborate with him. He was deeply respected by so many here at HC - not just because he excelled at his job, but also because he was a kind, thoughtful & fun person to be around. I miss his positive energy and capable can-do attitude. He worked with great passion & had a natural talent to communicate. I know he loved his family very much & I enjoyed seeing the twinkle in his eyes as he spoke of his sons. He was a proud father. Joe will be missed everyday. He left a huge positive impression on me and many here. With Sympathy,

Jeannie McFarland Johnson

I met Joe when he started in Discovery, we quickly became friends. We talked a lot during covid. We talked about everything, mostly our sons, and a lot about making sure that fun didn't get lost to the business of life. Justin, David, and Tyler, he loved being your dad, you were his favorite topic. He could not wait to tell me all that you were doing. He loved outings with you, especially if he could take you to a game. I hope those are your favorite memories of him, I know he cherished those moments. I am sorry you had to lose him. I will miss hearing the joy he had when he talked about his boys. He was one of a kind. I will miss our talks, his infectious laugh, and his friendship.
