

Today's Requiem service and celebration of Mary
Scotland's life was truly a heart-warming tribute.

The words and reflections of family and friends animat-
ed and illustrated the strength of her character and the
beauty of her personality in a dynamic way.

The theme central to your expressions was Faith and
Love.

Mary Scotland embodied and practiced these virtues
and at the end of life, it is because of these virtues that
she will always be remembered!

May this legacy of Faith and Love be forever in the
forefront of our lives!

Amen!
