THE CHANCELLOR OF BUST IS NO MORE

It is with a lot of grief that we in BUST learned of the passing to eternity of the Rt.Hon. Achidi Achu Simon who devoted a good part of his life serving the Nation in various capacities, namely:

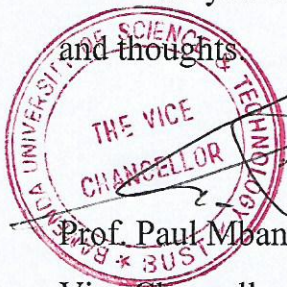

Hon. Minister, Hon. MP, Prime Minister and Senator. It is particularly the honorary function of the Chancellor of the Bamenda University of Science and Technology (BUST) that we will like to give a slant to this eulogy.

Senator Achidi Achu Simon was always present to preside over most of the Convocation ceremonies in BUST. In fact his presence attracted the Governor and SDO to grace the occasion with him. He did this many times despite his busy official schedules. We wish to report to him in his present spiritual state that BUST is still on its feet despite the difficult socio-political crisis and the deadly pandemic. The Lord is still guiding BUST on.

We cannot forget the encouraging prizes you always offered to the laureates during graduation.

We pray that the Lord Almighty will eventually provide another Chancellor of your caliber to continue to shepherd BUST to forge ahead.

As you transit to the world of perfect peace, we offer to your family our prayers and thoughts.
